Custom Touring

With "Ambassador Style Touring," we design for each client a personal touring program based on one's personal interests. We develop a detailed daily itinerary for the areas in Italy to be visited. Clients receive unlimited consultation prior to trip departure. Once approved, A&B makes all the arrangements: from train tickets, hotels and restaurant reservations to museum tickets, private guides, cooking classes and much more.

Why risk the expense of a once in a lifetime trip by trying to "do-it-yourself"? Our suggestions are based on decades of travel.
